

Album Order Form

Client Name: _____

Below is a list of images that I always like a little help in selecting. Depending on the size of the album you ordered it may or may not be all the images in your album. If you feel an important image is not included in this list then by all means let me know by putting it in the "Other Special Images". This list just represents the type of images that I find people will be most particular about and/or those images that I am not very good at picking out. Reception images are a prime example. I have no way of knowing in many cases whether a "great shot" that I put in the album is even someone the bride and groom are very close to.

VERY IMPORTANT: If you wish to complete this form using Acrobat you must have Adobe Acrobat 8 or higher installed on your computer in order to complete this form and have the information save. If not, the notations you make on the form will not save. If you do not wish to update your reader to Acrobat 8 or newer, you will need to print the form, hand-write your selections, and mail it to me.

ONLY USE THE LAST FOUR DIGITS OF YOUR IMAGE NUMBER, THAT IS ALL THAT IS NEEDED!
